

Financial Aid Night

6 OCT 2015
7:00 pm

Northville High School is pleased to offer the third annual Financial Aid Night presented by Oakland University's financial aid office. The information covered is not specific to OU and is relevant for any student attending college in the United States.

The financial aid specialist will share important information about financial aid, scholarships, & grants. There will also be an opportunity for parents and students to ask questions about the financial aid process. This is not, however, a time to ask specific and/or personal questions about your child's FAFSA application.

Any student who is planning on attending college or any family planning to send a child to college will benefit from this informational presentation.
